

All about me 😊

Hi, my name is Myrto, I'm almost 17 years old and I come from Greece. I live in Barnet with my mum and my stepdad. I also have a cat called Puska. I joined East Barnet School two years ago to study my GCSE's and I decided to stay for my A levels too. I am taking Home Economics, English Language and Business Studies. I enjoy it a lot and on my free time I play volleyball and hang around with friends. When I finish my A levels I want to follow a career in Royal Air Force as a fighter pilot.

That's a picture of the new building of East Barnet School. The new building was completed in May 2010 and work on the grounds and remaining sports areas continued until December 2010. Students and staff transferred into the school in June 2010.
